

# Re-Invention of Defence in the Digital World

accenture

Visit Accenture at CANSEC (Booth 2029)  
EY Centre, May 28-29, 2025  
Contact: [kevin.mehrmann@accenture.com](mailto:kevin.mehrmann@accenture.com)

See us at CANSEC and learn more about...

## Force Readiness

*Re-inventing HR to enable Force Readiness; linking HCM and Defence<sup>x</sup> to Readiness*

## Common Synthetic Environment (CSE)

*Enhancing Mission Readiness and Driving Decision Advantage with Accenture's CSE*

## Digital in Mission

*Providing pan-domain command and control and all source sensing suites to deliver decision advantage for commanders at all echelons*

## OEM Integration

*Enhancing OEM performance and impact through enhanced digital integration to meet tomorrow's Defence needs*

... and meet our Defence Team Leaders!
